PROJECT SUMMARY

US 90

CSJ:

0271-09-025, 026, and 0271-10-011

COUNTY:

Waller, Fort Bend, Harris, TX

ACQUIRING AUTHORITY:

TXDOT

PARAMETERS:

US 90 from I-10 to FM 1463, The proposed widening of US 90 would include:

Reconstructing US 90 from a two-lane roadway to a four-lane roadway with a raised median

Adding a center left-turn lane to the existing four-lane roadway with-in the City of Brookshire

Adding sidewalks, shared-use paths and/or bikeways to both sides of the roadway
Within the City of Brookshire, improvements would include adding a center left turn lane to the existing four-lane roadway. A sidewalk and bikeway are also proposed. Any improvements from I-10 to Donigan Rd are limited to pavement upgrade and striping. Overall, the estimated construction cost is approximately \$113 million.
